

To whom it may concern:

Aiden was starting for us on the mound as a freshman, he 6', 200. Strong presence on the mound, very mature, has 3 pitches. He is an "A" student in the classroom, and has shown leadership skills as a freshman. Hard worker, team player. Expecting bigger developments in the future. Aiden continues working out, getting physically stronger on his own, as we are not allowed any contact within our district.

Sincerely,

Coach Rojas
